The Pleasure of Challenge

**LCC** | AN INFINITELY

**LIGHT**  
**COVERING**  
**HIGHLY UV PROTECTIVE**  
**BREATHABLE**  
**INSULATING FABRICS**

Thanks to the new **LCC (Life Cycle Control) Project** Carvico and Jersey Lomellina, set off on a long, ethical journey aimed at promoting sustainability, innovative processes and recycled raw materials.

A new range of fabrics made with **RECYCLED HOLLOW POLYAMIDE** was created to reduce the consumption of raw materials and to create ultralight high performance garments.

**LCC an infinitely ethical project** for high performance fabrics.
