## Soft Ireland

Country and soft are not textile words you would often throw together but for this season tweeds, Shetlands, Donegha plaids and tartans are all washed and tumbled to give a broken and soft touch.

## Power code

Iconic blacks open the scene with a range of prime reds in powerful combinations, that rely on loft, texture and contrast of touch. A luxury feral finish mixes with bonded and coated technicity in clean, rounded and new volume, city sport silhouettes.

## Optimist

Duffle volumes in malleable, blanket soft, woollen spun plaids and plains work a tough whimsy story of patchwork and placement. An optimistic bright palette is combined with honest steady denim, techno fleece and new tunic sport layering for a look that brings a warm positive vibe to winter.
